

535-1901 BUGOUT®

BENCHMADE DESIGN • U.S.A.

 EVERY DAY

The saga continues, but the materials have changed! With many iterations of the Bugout over the past year, G10 has finally made its way to the best-selling platform, in the shape of the 535-1901 Bugout. Natural jade G10 handles with a blue accent base layer reveals the silhouette of a butterfly within each side of the knife's handle. Coupled with stainless hardware, and a satin CPM-20CV blade, this Limited Bugout will be capped at 2,000 pieces.
