

# Size chart

Find the right fit for your BUFF® caps.

Cap size is determined by head circumference to ensure a comfortable and secure fit.

BUFF® Caps		
Size	Measurements (head circumference)	
ONE SIZE	54–61 cm	21.3–24.0 in
S/M	54–57.5 cm	21.3–22.6 in
L/XL	58–62 cm	22.8–24.4 in
YOUTH	51–56 cm	20.1–22.0 in
KIDS	48–52 cm	18.9–20.5 in

# How to measure

To ensure the best fit for your cap, measure your head circumference:

1. Take a flexible measuring tape.
2. Measure around the widest part of your head, just above the ears.
3. Keep the tape snug but not tight.
