

NIGHTFALL 20" LIGHT BAR

DUAL ROW COMBO BEAM

Lightforce legendary performance is introducing THE NIGHTFALL COLLECTION, now available in next generation LED Bars. These black-framed lights are extruded from 6063 aluminium and finished in a UV-resistant anodized coating to face the harshest conditions.

FEATURES:

- Extruded aluminum body with black anodized coating
- IP69K rated to protect against moisture / contaminant ingress
- Hard coated, scratch and high impact resistant polycarbonate lens
- Custom molded strain relief connector fitted to military spec cable
- Genuine Gore® waterproof membrane with mechanical seal
- Submersible to 3 meters
- Over, under and reverse voltage protection
- Pulse width modulation thermal management circuitry
- Protected against electromagnetic and radio frequency interference (RFI)
- Stainless steel brackets and mounting hardware
- Comprehensive wiring harness
- Broad operating voltage range of 10 ~ 36 volts
- Deutsch waterproof connectors
- RoHS certified
- Lifetime Satisfaction Guarantee

PRODUCT DIMENSIONS:

PART	DESCRIPTION
LEDBD20CUS	20" LED bar, dual row, combo beam

SPECIFICATIONS:

- **Emitter Type:** LED
- **Input Voltage:** 10-36V DC
- **LED lifespan:** 50,000 hrs
- **Color temp:** 5,000K
- **Approx Beam Distance:** 568m /621yd
- **Input cable length:** 450mm (17.72")
- **Waterproof rating:** IP69K with GORE® Protective Vent
- **Wiring Harness length:** 2.5m (92.43")
- **Operating Temperature:** -40°C to 63°C (-40°F to 145.4°F)

PACKAGE CONTENTS:

- 1 x Lightforce Dual row LED Bar
- 2 x Stainless steel brackets and hardware
- 1 x Full wiring harness (including relay and switch connector)
- Torx key
- 1 x User instructions
