

# CHEESE BITES

OUR CHEESE BITES ARE PERFECT FOR THE OUTDOORS.  
HIGH IN PROTEIN, GOOD SOURCE OF CALCIUM, TRANS FAT  
FREE & ALL NATURAL OUR. CHEESE BITES KEEP YOU GOING.

Explore our all natural and high in protein cheese bites. Our Cheese bites are an excellent source of calcium, trans fat free, made with 100% gluten free ingredients and zero preservatives. We promise this isn't your everyday cheese. The process starts by producing all natural cheddar cheese using just 4 ingredients - milk, salt, rennet, and culture. The next step is boosting the protein content with a state of the art proprietary method and then reducing the moisture through freeze-drying. Not only does it create a completely shelf stable cheese, it elevates the protein and calcium content. No refrigeration is required whatsoever! Be sure to keep a bag of this nutritious snack on you at all times to keep you going!

# CHEESE BITES
