CORAX LT WOMEN

Tailored to a woman's physique, the CORAX LT WOMEN is a versatile climbing harness. Designed and manufactured by Petzl, it benefits from the brand's expertise and reliability and is a comfortable harness for users, whether they are suspended or belaying. The four gear loops provide sufficient space for the required gear (quickdraws, nuts...). The materials used give it great durability. It is available in five sizes to fit all body types.

Waistbelt equipped with a steel DOUBLEBACK buckle for easy harness adjustment.

Compatible with the CARITOOL EVO tool holder for transporting ice screws, hammer...

Two rigid gear loops in front and two flexible ones in back for carrying the required gear (quickdraws, nuts...).

Short Description Comfortable, durable and versatile climbing harness for women

Selling Points

- Petzl quality and expertise:
 - designed by Petzl in France and manufactured by Petzl
 - quality control throughout the production chain Each Petzl harness undergoes systematic quality control of all its structural components
 - high-durability exterior fabric for better abrasion resistance
 - highly durable tie-in points with polyester reinforcement
 - steel DOUBLEBACK buckle allows easy adjustment for the entire life of the harness
- Comfort:
 - specific sizing for women's physique A longer rise ensures better placement on the waist
 - comfortable to wear while suspended or belaying, thanks to a perfect weight distribution between the waistbelt and leg loops
 - elasticized leg loop straps and flexible connection straps allow maximum mobility
 - high-quality foam ensures comfort and excellent weight distribution over time (FRAME Technology construction)
 - comfortable, durable and soft fabric interior lining
- Capable of transporting and organizing gear:
 - two rigid gear loops keep gear near the front for easy clipping and unclipping of quickdraws
 - two flexible rear gear loops allow a backpack to be worn
 - one rear loop for trail line, chalk bag...
 - compatible with the CARITool EVO tool holder for transporting ice screws, hammer...

Specification

- Material(s): high-strength polyester webbing, closed-cell foam, polyester
- Certification(s): CE EN 12277 type C, UIAA
