CP-100 Mini Bluetooth Speaker with AM/FM Radio

Sangean commitment to designing and manufacturing best in class radios really shows in the CP-100. With worldwide recognition for sound quality, performance, features, functions and durability the CP-100 exemplifies Sangeans commitment to excellence.

The CP-100 incorporates a very sensitive AM and FM Tuner to achieve best reception and Built-In Bluetooth technology Version 4.1 allows you to seamlessly stream your music from your favorite Bluetooth device.

Whether you listen to Chopin, Bach, Beethoven or

The Red Hot Chili Peppers you'll love listening to them on Sangeans CP-100.

Housed in an attractive cabinet with a very unique

Megaphone" Bass Port this little radio does not sound little. With Sangean Acoustically Tuned cabinet it allows the speaker to work effortlessly to achieve a richer bass response, smoother highs and overall natural sound.

The Sangean CP-100 has been praised far and

wide for its high-quality sound, miniature size and retro styling. Anyone who wants a compact, stylish AM/FM radio with Bluetooth Capabilities and surprisingly good sound should give the CP-100 a listen.
